# Glass Covers, Wine Drip Catchers, Teapot Holders, And Egg Covers

Our glass covers can be used in a wide variety of ways. They help protect glasses used by restaurants, hotel room service, or outdoor patios, from dust particles or other contaminants. Glass covers are used for both cold and hot drinks, and will help keep the beverage cool or hot. You can choose the perfect size to fit any industry standard cup, glass, mug, bowl, and beverage can. Show your patrons how important their well-being and comfort matters to you.

Wine drip catchers are an additional service detail that is practical and has great advertising value.

Egg covers are an elegant and classy way of protecting the boiled egg from cooling.

Custom teapot holders are used by the best restaurants and hotels that pride themselves on their level of hospitality.

# Butter Covers, Wax Tissue

Our ramekin/butter covers are manufactured from high quality parchment paper that guarantees your butter, sauces, dips, jams, or any spread remain hygienic and fresh. When printed with your logo, butter covers become a detail which will earn your customers appreciation.

Butter covers are available in different sizes and with or without tab. Butter covers with a tab are easier to remove from whichever condiment or butter you are serving.

Our wax paper is one of the best in the market today. With its freeze resistant, grease resistant, tear resistant properties, we provide wax paper that can be used for multiple purposes. This is the perfect solution for any type of food or tray that requires wax paper.
